

Degreaser - Workshop Ready
Product Code: AC125

Tackles grease in the presence of high grime loadings solubilises grease, oil, fat, and waxes. Ready to use, non-flammable, water-based. Exhibits excellent detergency and inhibits ferrous metal corrosion.

Available in:

750ml (pack 6) AC125/750
5L (pack 4) AC125/5
20L (single) AC125/20

Tyre Shine
Product Code: AC122

Long lasting, high gloss shine, perfect for the restoration and protection of plastic and vinyl trim. Imparts a durable, waterproof shine to tyres.

Available in:

750ml (pack 6) AC122/750
20L (single) AC122/20

Multi Purpose Cleaner
Product Code: AC36

Highly effective multipurpose spray and wipe cleaner. Safe on both hard and soft surfaces, including fabric, upholstery and carpet. Pleasant scented, no strong solvent vapours. Ideal for car, boat, home, office and bathrooms

Available in:

750ml (pack 6) AC36/750
20L (single) AC36/20

Armour Kote Interior Protection
Product Code: AC32

Suitable for vinyl, plastics, leather, rubber and wood and cures to a non-sticky, glossy finish. Totally non-toxic, safe around children and animals. Eliminates door seal squeaks and chaffin

Available in:

750ml (pack 6) AC32/750
1L (pack 6) AC32/1
5L (pack 4) AC32/5

Lubex - Penetrating Lubricant
Product Code: AC75

A versatile, safe, spray lubricant that really works. Contains no silicones or hazardous ingredients. Does not wash off with water and gives excellent corrosion protection to metal surfaces. Repels moisture, inhibits corrosion and lubricates & penetrates.

Available in:

400G aerosol (pack 12) AC75/400
5L (pack 4) AC75/5

Brake Cleaner
Product Code: AC51

For use on drum, disc and ABS brakes. Rapidly solubilises grease, soil and oils. Removes heavy grime effortlessly. Australian made

Available in:

400G (pack 12) AC51/1

Car Wash
Product Code: AC120

Effortlessly removes grime, soot and greasy films. Streak-free, high sudsing cleaner that will produce streak-free results every time. Helps control corrosion in inaccessible areas. Fully biodegradable and will not damage lawn or plants. Ideal car wash for retail

PREMIUM MOTOR BIKE, BOAT, CAR AND TRUCK CARE

Truck Wash - Blu Murda Product Code: AC40

Available in:
1L (pack 6) AC40/1
5L (pack 4) AC40/5
20L (single) AC40/20

Leader in its field for removing road grime, and highly economical with a dilution breakdown of up to 1:250. Highly concentrated and dries streak-free, will not strip quality polishes. Neutralises corrosion provides residual protection, and inhibits rust. Mild and safe for the environment and end-user. Easy to use with air-pressurised domestic sprayers. Safe to use with cold or hot water. Fully biodegradable with no harsh alkalis. Mist on, rinse off.

Truck Wash - Wash & Wax Product Code: AC41

Available in:
1L (pack 6) AC41/1
5L (pack 4) AC41/5
20L (single) AC41/20

Rapid grime removal formula with a one-step cleaner and polisher with a high-level wax deposition properties but will not strip existing quality wax. Reduces subsequent cleaning effort and time. Neutralises corrosion, provides residual protection, inhibits rust. Contains carnauba wax emulsion. Safe to use with hot or cold water. Free from petroleum hydrocarbons and solvents and fully biodegradable. Mild and safe for the user and environment.

Windscreen Reservoir Additive Product Code: AC46

Cleans wiper blades and reduces wiper 'chatter', ideal for cleaning out old reservoirs. Smear and film free shine. Removes bugs, grime, diesel and oily films from windcreens. Keeps washer plumbing and jets clean.

Available in:
1L (pack 6) AC46/1
5L (pack 4) AC46/5

Engine Bay Detailer Product Code: AC34

Provides the ultimate in showroom shine, in one easy step. Perfect for all car & truck showrooms to maintain vehicles looking new without the hassle of washing & degreasing. Safely restores and protects engine bay materials, suitable for motorbikes, bikes, boats, cars, and trucks.

Available in:
5L (pack 4) AC34/5
20L (single) AC34/20

Bitumen & Tar Remover Product Code: AC70

Highly Concentrated Bitumen & Tar remover. Extremely effective in removing oil, grease, bitumen & tar. Ideal for industrial and heavy duty cleaning

Available in:
5L (pack 4) AC70/5
20L (single) AC70/20

Concrete Remover Product Code: AC71

Designed to dissolve hardened concrete on ready-mix trucks, mixers, pumps, trowels, concrete saws, pavers and any place where cement has splashed. Perfect to remove cured (hardened) concrete, cement, mortar & grout.

Available in:
5L (pack 4) AC71/5

Caravan, Trailer & Boat Wash Product Code: AC110

Streak free & suitable for caravans, RV's, boats, coaches and vehicles. Safe for gel-coat, fibreglass, painted surfaces. Fully biodegradable, free rinsing and will not harm or fade decals, leaving a protective shine.

Available in:
1L (pack 6) AC110/1
5L (pack 4) AC110/5
20L (single) AC110/20

Parts Wash, Solvent Based Product Code: AC60

Ideal for cleaning all parts and equipment. Rapidly solubilises grease deposits. Solvent based for highly effective cleaning. Higher flash point than other parts of washing fluids, meaning it will evaporate slower than competitor solutions. Contains surfactant soaps. Quickbreaking.

Available in:
20L (single) AC60/20

Degreaser, Concentrate Product Code: AC124

A highly concentrated degreaser that solubilises grease, oil, fat and waxes. Tackles grease in the presence of high grime loadings. Inhibits ferrous metal corrosion and exhibits excellent detergency. Suitable for spray, foam or brush application, pleasant to use, no strong solvent vapours. Will not affect plastics, rubber or un-reactive metals. Free from harmful petroleum solvents, aromatic compounds and corrosive alkalis. Water miscible for greater economy and convenience. Effective at high dilution levels. Non-flammable, water-based, May be stored indefinitely

Available in:
20L (single) AC124/20

Parts Wash, Water Based Product Code: AC128

Water-based heavy duty degreaser, ideal for cleaning all parts and equipment. Rapidly solubilises grease deposits. Readily biodegradable and quickbreaking. Water-based and highly alkaline solution.

Available in:
20L (single) AC128/20
